Vocational Technical High School**

THE MARINER

Greater New Bedford Regional Vocational Technical High School

1121 Ashley Boulevard • New Bedford, Massachusetts • 508.998.3321 • www.gnbvt.edu

A Tradition of Excellence

Greater New Bedford Regional Vocational Technical High School is a public, four-year vocational / technical high school for young men and women.

With an enrollment of more than 1,800 students, GNB Voc-Tech is one of the largest vocational-technical high schools in Massachusetts. It serves the communities of New Bedford, Dartmouth and Fairhaven.

One of the first vocational schools in the country, its roots date back nearly a century, to the creation of the New Bedford Independent Industrial School in 1908. When it opened in 1909, the school served only 59 students, all from New Bedford.

Over the years, the school built a reputation for excellence by providing quality vocational and academic programs. In 1918, its name was changed to New Bedford Vocational School.

In 1946, it became New Bedford Vocational High School. In 1955, it became the first vocational high school to be accredited by the New England Association of Schools and Colleges.

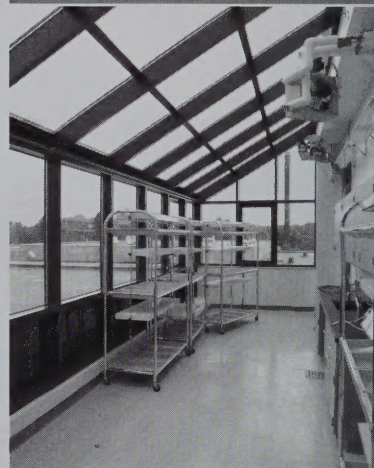

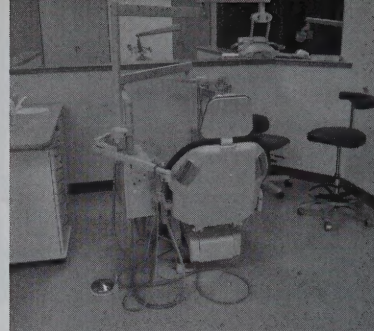

Voc-Tech:
Serving the communities
of New Bedford, Dartmouth
and Fairhaven.

In 1972, voters approved of a regional district and construction of a regional high school. In 1977, Greater New Bedford Regional Vocational Technical High School was opened.

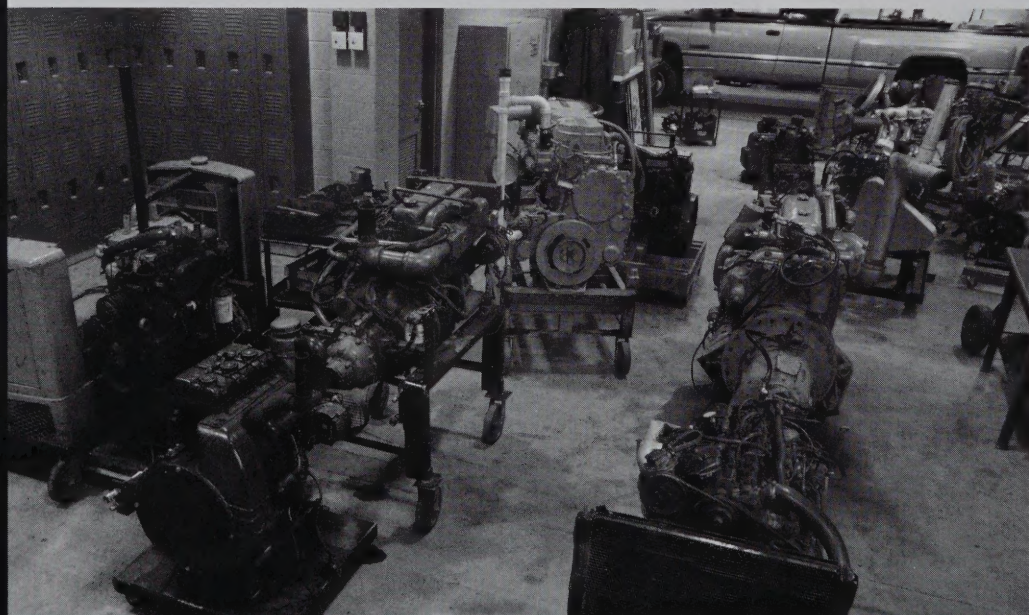

Today, the school sits on a beautiful 48-acre campus in the North End of New Bedford, Massachusetts, offering specialized training in 24 career majors.

The school has an enrollment of more than 1,800 students in grades 9-12. Each year, it serves more than 2,600 adults through its Adult Education programs.

A \$22 million addition and renovation project opened this year. The project has added new labs and classrooms and expanded the facilities for several career and technical programs, including Child Care, Culinary Arts, Automotive Technology/Diesel, and Plumbing & Pipe Fitting.

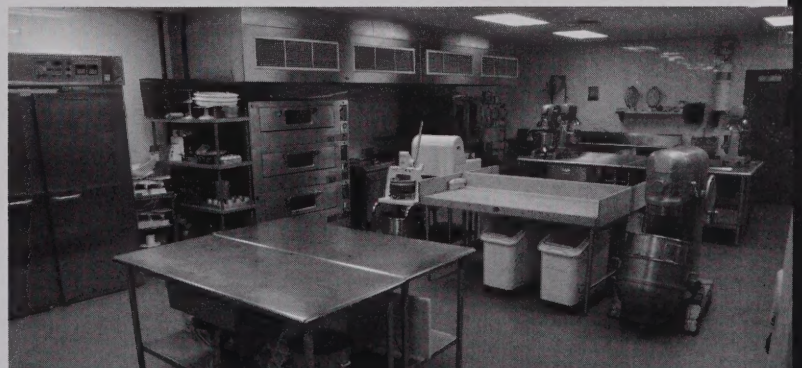

The new \$22 million addition provides facilities for new labs, and classrooms. It also houses expanded facilities for career and technical programs like Child Care, Culinary Arts, Automotive Technology/Diesel, and Plumbing and Pipefitting.

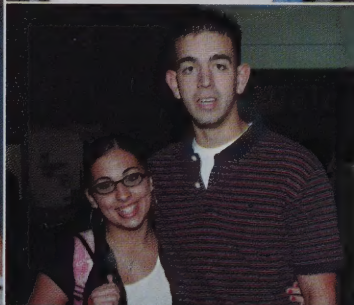

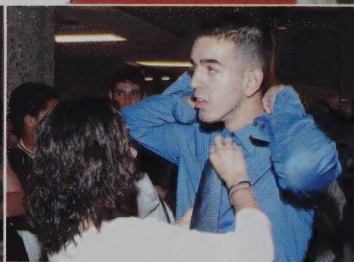

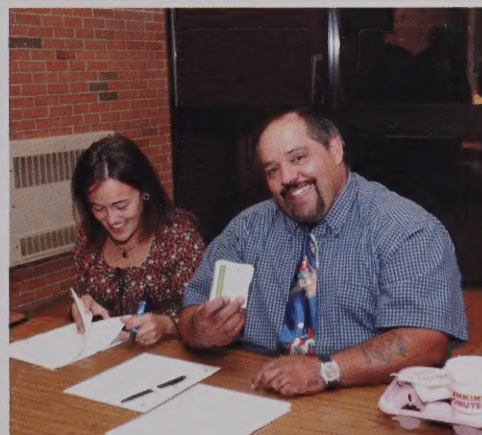

Educational Program

- Students at GNB Voc-Tech experience an education which blends academic instruction with career and technical education. They choose from more than two dozen career majors.
- Through this course of study, students wishing to pursue a higher education are able to meet all of the academic requirements necessary for them to be admitted into state colleges and universities as well as most private colleges. Additionally, the vocational skills that they acquire give them a competitive advantage when entering the workforce or the armed services.
- In a typical class, 40% of its graduates choose to continue their education, either at colleges or technical schools. About 55% enter the workforce and 5% enter the armed services.

VocTechSpirit

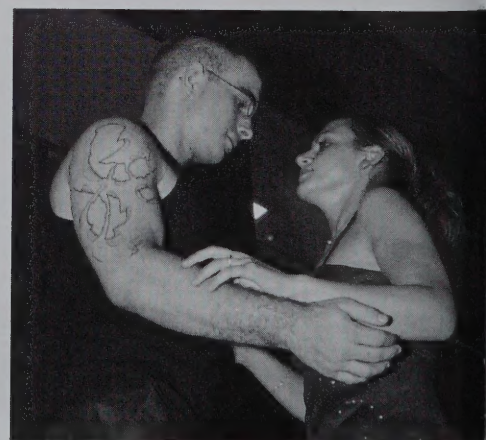

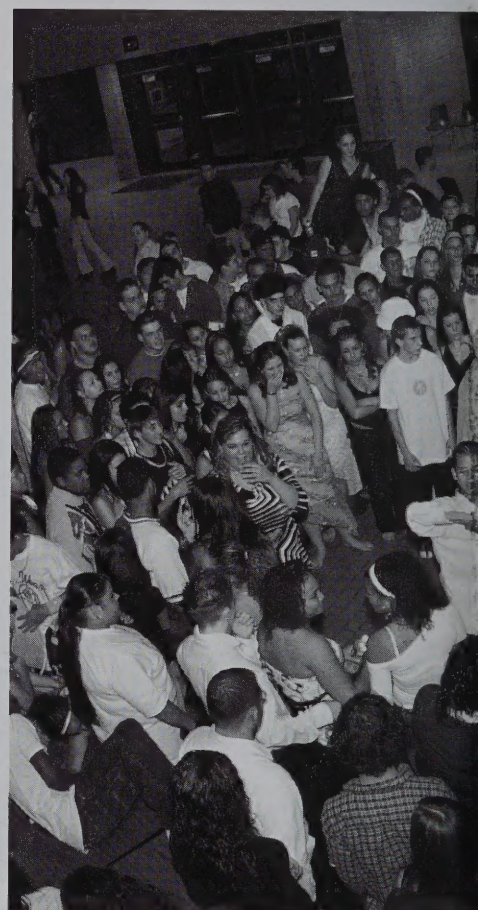

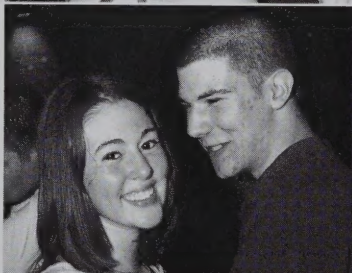

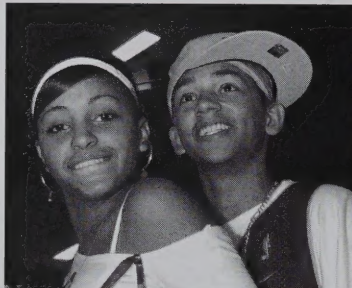

**We showed our
Voc-Tech spirit
this year by taking
part in Dress Up Day,
Mix and Match Day
and Patriotic Day.**

**It was great fun
for everybody!**

Greater New Bedford Regional Vocational Technical High School

Administration Faculty Support Staff School Committee

A Message from the Superintendent - Director

As you look ahead, you can do so armed with the knowledge that you are well prepared to meet life's challenges. You can feel proud that you are part of a school with a long and rich tradition—a school known for its career and technical excellence, its positive work attitudes, and its service to the community.

You can leave here knowing that you are not alone: thousands of graduates of Greater New Bedford Regional Vocational Technical High School have already traveled the road before you. Many are now leaders in business and industry in the region. Others are leaders in civic and political life. Most lead quiet, productive and fulfilling lives, rich in family and friends. All share a common experience: an education from GNB Voc-Tech.

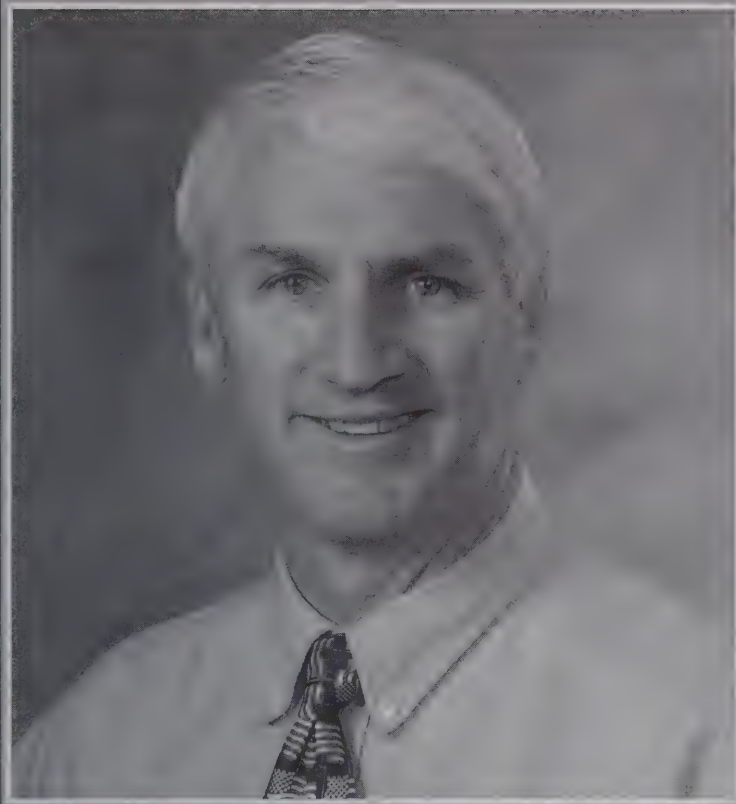

During our \$22 million construction project, you and your classmates have witnessed a physical transformation at the school—new buildings, new classrooms, and new labs. You were there at the birth of our new Engineering Technology program. You saw us make changes in the curriculum—to get you prepared for the state competency exam.

As Superintendent-Director, I am proud of what your class has accomplished, both at this school and within our community. As a group, you have worked hard and made us proud. And I trust that you and your classmates will continue to use your academic and technical skills wisely, wherever life takes you.

Wherever the future takes you, remember with pride where you started: Greater New Bedford Regional Vocational Technical High School. Work hard, stay focused, and carry the positive experiences and energy of this high school with you forever. You have my best wishes as you move on.

Jeffrey E. Riley
Superintendent-Director

Michael R. Shea
Principal, Academic Programs

Congratulations to the Class of 2004.

It has been my pleasure to have been your Academic Principal for the past four years. I hope you have enjoyed your high school years and remember these words:

“Believe – Achieve – Succeed”

Principals' Messages

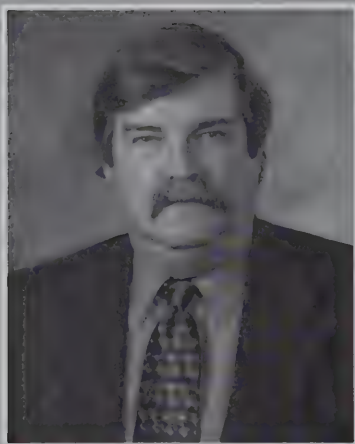

Over the past four years, members of the Class of 2004 have worked very hard to achieve success and the school is very proud of you. You have accomplished much – in the classroom, during after school activities and in our community.

During the past few years, you have witnessed the transformation of our curriculum – with new emphasis on testing and results. You have endured the MCAS exam. Through all of these changes and challenges, you have persevered and excelled.

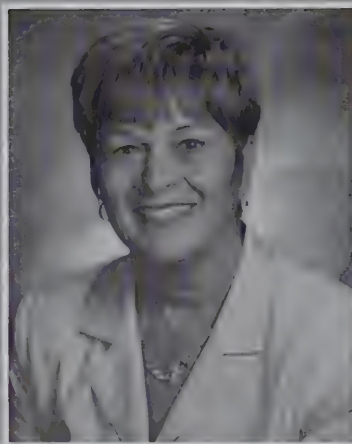

I am very proud to congratulate you on your accomplishments and upon your graduation from Greater New Bedford Regional Vocational Technical High School. Best of Luck

 Row 3: T. Lopes, T. DaSilveira, S. Correia, N. Horrocks

The Boys' Track team had an outstanding spring season. The team finished undefeated (8-0), achieving the SouthCoast Championship. The team went on to win the Massachusetts Vocational State Meet for the 5th straight year. The future looks bright as all of the top scorers were underclassmen.

The Girls' Track team had smaller numbers, but never the less improved a great deal as the season progressed. The highlight of the season was at the Massachusetts Vocational State Meet, where the girls finished third, their best finish ever.

Row 4: E. Rudolph, A. Angulo, F. Bruno, M. Sylvia, J. Linhares, D. Teeple, R. Cabral, J. Isidoro, B. Sylander, C. Gomes, M. Rodrigues, J. Morin, D. Flynn, S. Gonsalves, P. Masciantonio, J. Davignon

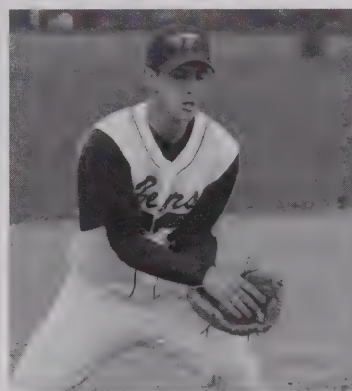

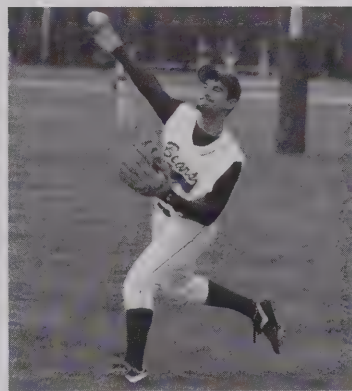

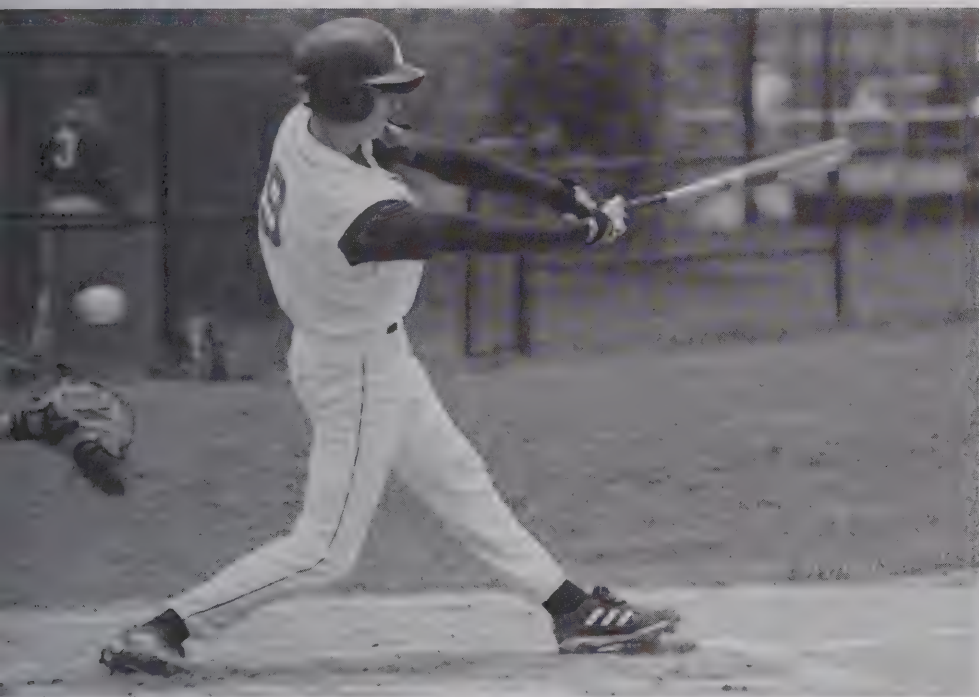

The Varsity Baseball team had a 7-12 record. The team started off the season with an extra inning win against Wareham and ended the season with a win against Bourne. The team had a big win against 1st place Old Rochester.

Tom Richard led the team in batting with a .438 average. Joshua Cardoso, Jason Rocha, Kyle Oliveira, Bill Horrocks and Michael Simas will be returning. They all helped contribute throughout the season. With a good crop of underclassmen coming from the J.V. and Freshman teams, it looks to be an exciting and competitive 2004 season.

Front Row: S. Affonce, C. Gula, T. Richard, J. LeBlanc, J. Wagner, B. Richard
 Row 2: Head Coach Quintal, B. Horrocks, S. Borden, K. Oliveira, J. Britto, J. Rocha,
 M. Simas, J. Cardoso, Assistant Coach Sousa

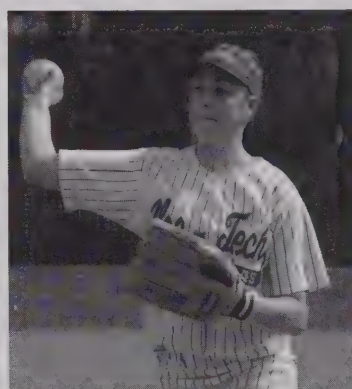

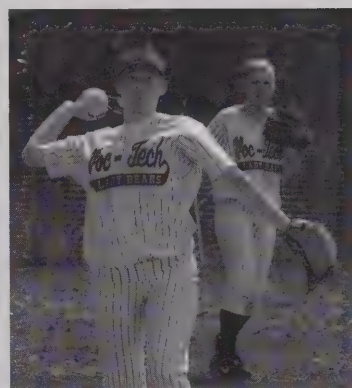

The Voc-Tech Varsity softball team enjoyed its finest season in four years, finishing with a 7-12 record. As the season progressed, the team came together. The Lady Bears finished in impressive fashion with four wins in their last six games, defeating Martha's Vineyard, Fairhaven, Bristol-Plymouth and Diman Voc-Tech.

The future looks bright for the softball program. Freshman softball played a ten game schedule and the Junior Varsity again completed their season with a winning record.

Row 2: M. Silva, R. Cabral, M. Hernandez, A. Meade, J. Corkum,
R. Spoor
Row 3: J. Pontes, A. Gomes, T. Lambert, P. Masciantonio, D. Teeple

This year the football team was led by an incredible group of seniors. Their leadership was a huge step forward for our program. The senior group led by example not only on the field but off the field as well. They were great mentors for our underclassmen. This was clearly demonstrated in our weight room attendance, our attitudes and our work ethic. The coaches are extremely proud of the team and their effort.

FALL SPORTS

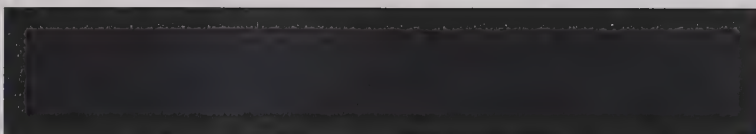

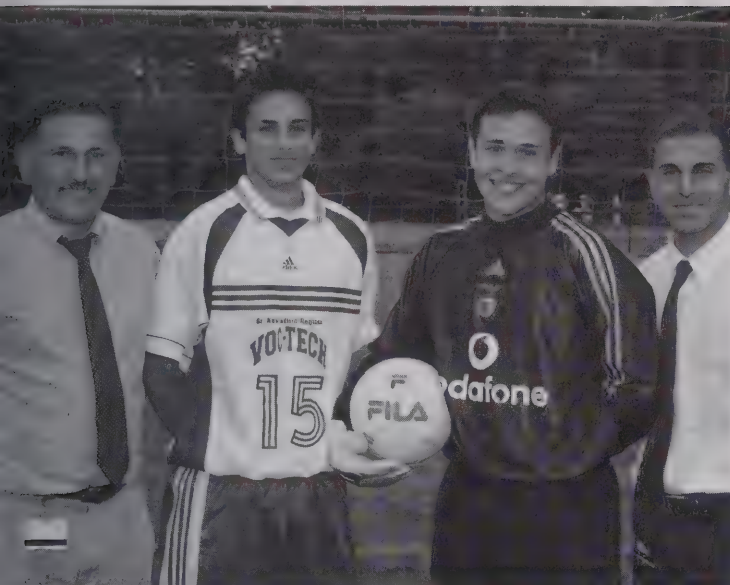

Boys' Soccer

Front Row: M. Souza, C. Costa, K. Furtado, N. Avila, R. Hart, P. Ferreira

 W. Horrocks, J. Lopez, , P. Joaquin, J. Rocha, M. Edwards, Coach Cunha

Captains:

Coach Cunha, Derek Tiago, Michael Lopes, Coach Cabral

Seniors:

Front Row: R. Rosa, D. Tiago, M. Lopes, P. Joaquin, M. Edwards
Row 2: C. Sousa, A. Pacheco, C. Medeiros, W. Horrocks, J. Lopez, J. Rocha

The boy's varsity soccer team had another successful season finishing 3rd in the league with an 8-3-5 record. League all stars were Senior Cliff Sousa and Sophomore Patrick Ferreira. Honorable mentions were Seniors Mike Lopes and Billy Horrocks. Cliff and Patrick were also selected as Eastern Massachusetts All Stars. The Junior Varsity team was undefeated in league play and the future looks good for the Varsity Bears.
